PROFESSIONAL SUMMARY

Dedicated and passionate educator with over 20 years of experience teaching English, Spanish, and Portuguese at Middle School, High School, and Pre-University levels. Specialized in active learning methodologies, I aim to transform education into a continuous process of discovery, where students play the leading role in their learning journey.

My teaching philosophy is rooted in constant innovation, delivering quality education aligned with 21st-century demands through bilingual programs, project-based learning, and flipped classrooms. I also bring extensive experience in teacher training, educational project development, and the integration of technology to foster productivity, resilience, and inclusivity in diverse classrooms.
